Date: 10 August 2009

To Whom It May Concern:

We acknowledge the support of R&M Electrical Trading in providing us not only a right-on-time delivery of materials but also in giving us their technical assistants to our site electrical material requirements.

At present, R&M still one of our selected suppliers in this project and there is no doubt to recommend them in our next future projects.

Kind Regards,

Martin F. Dela Cruz Jr.
